

# Liturgical Calendar

*Good Samaritan by Vincent Van Gogh*

***The Good Samaritan parable eloquently presents the basic decision we need to make in order to rebuild our wounded world. In the face of so much pain and suffering, our only course is to imitate the Good Samaritan. Any other decision would make us either one of the robbers or one of those who walked by without showing compassion for the sufferings of the man on the roadside.***

***The parable shows us how a community can be rebuilt by men and women who identify with the vulnerability of others, who reject the creation of a society of exclusion, and act instead as neighbours, lifting up and rehabilitating the fallen for the sake of the common good.***

***Pope Francis. Fratelli Tutti P67***
